Space is the whole edge.

Whitespace is a perpetuals exchange on Whitechain. Deep books, 50× leverage, and an interface that gets out of the way of the tape.

POINTS

Void Points, Season One

Weighted by maker depth and time at risk, not raw churn. Emissions per epoch are fixed and published before the epoch opens.

REFERRAL

25% of taker fees

One code, paid out each epoch in USDW, plus a share of your referees' point stream for as long as they trade.

Leave the noise outside.
